

Privacy Policy

Last Updated: July 15th, 2025 / Version 2.0 Next Review Date: January 15th, 2026

1. General Statement

This Privacy Policy explains how CHECK IT OUT SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ ("Check It Out," "we," "our," or "us") collects, uses, shares, and protects your personal data. This policy applies to all websites, mobile applications, platforms, tools, and services provided by Check It Out (collectively, the "Services").

By accessing or using our Services, or by registering an account, you acknowledge and agree to the practices outlined in this Privacy Policy. While providing your personal data is voluntary, failure to do so may prevent us from offering you full access to our Services.

2. How to Delete Your Data (Quick Guide)

Want to delete your account and data? Email us at: checkitout.inbox@gmail.com Subject: "Data Protection Request - Deletion"

We'll confirm your identity and delete your data within 15 days. For complete details about all your rights, see Section 15 below.

3. Scope of This Privacy Policy

This Privacy Policy applies to:

- Users visiting our website or using our mobile application
- Brands using our platform to create influencer campaigns
- Influencers who register, participate in, or express interest in campaigns
- Employees and representatives of clients or potential clients

4. Data Controller

CHECK IT OUT SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ is the data controller for all personal data collected through the Services. We are responsible for determining the purposes and means of processing personal data.

Data Protection Contact

checkitout.inbox@gmail.com (Subject: "Data Protection - [Your Request]") We regularly assess our data protection obligations and maintain appropriate safeguards for all personal data processing activities.

5. Age Verification and Adult-Only Platform

18+ Only Platform Check It Out is an adult-only platform. By registering and using our services, you represent and warrant that you are at least 18 years of age. We do not knowingly collect personal data from individuals under 18.

Minor Data Protection We do not knowingly collect or process personal data from anyone under 18. If we discover that a minor has provided personal data, we will delete it immediately and terminate the account within 30 days.

Age Verification Process During registration, you must confirm your age. Any account found to belong to a minor will be immediately terminated and all associated data deleted.

6. What is Personal Data?

Personal data refers to any information that can be used to identify you directly or indirectly, including your name, email, social media profile, IP address, or other identifiers.

7. Information We Collect

We collect personal data in the following ways:

Provided by You

- When you create an account or submit a form
- When you participate in a campaign or apply as an influencer
- When you communicate with us via email or support channels

Examples include:

- Name, email address, username, profile picture
- Bank account or payment details (for influencer payouts)
- Social media account links and statistics
- Campaign preferences and collaboration history

Automatically Collected

- Device and connection information (IP address, browser type)
- Usage data (pages visited, clicks, time spent)
- Cookies and similar technologies (see our Cookie Policy)
- IP geolocation data processed through MaxMind GeoLite2 databases (hosted within EU)
- Session binding data correlating IP addresses with user sessions for hijacking prevention
- Impossible travel detection analytics to identify suspicious account access patterns
- Bot protection scores from reCAPTCHA Enterprise during authentication processes
- Security event logs including masked IP addresses, approximate location (country/city level), and risk assessment scores

From Third Parties

- Public social media data accessed via APIs
- Analytics and advertising partners (with your consent)
- reCAPTCHA Enterprise risk assessment data from Google (processed in US with appropriate safeguards)

8. GDPR Legal Basis for Data Processing

We process your personal data based on the following GDPR Article 6 legal bases:

Article 6(1)(a) - Consent

- Non-essential cookies (analytics, preferences)
- Marketing communications
- Optional profile enhancements
- Social media data collection beyond public information

Article 6(1)(b) - Contract Performance

- User account management and authentication
- Campaign facilitation and influencer-brand matching
- Payment processing and financial transactions
- Platform functionality delivery
- Customer support services

Article 6(1)(c) - Legal Obligation

- Tax record keeping (5 years)
- Financial transaction records for regulatory compliance
- Regulatory compliance reporting
- Response to lawful government requests

Article 6(1)(f) - Legitimate Interest

- Security monitoring and fraud prevention including session hijacking protection and impossible travel detection
- Bot protection and platform integrity maintenance through automated risk assessment
- Platform improvement and analytics (with consent for cookies)
- Customer support and service optimization
- Business development and marketing (subject to opt-out)

For each processing activity based on legitimate interest, we conduct assessments to ensure your rights and freedoms are not overridden by our business interests. Our security processing activities are essential for protecting user accounts and maintaining platform integrity, with data minimization and anonymization measures implemented to reduce privacy impact.

9. How We Use Your Data

We use your data to:

- Operate and maintain the Services
- Match brands with suitable influencers through our algorithm

- Provide support and communicate with you
- Conduct analytics and improve our platform functionality
- Comply with legal obligations and regulatory requirements
- Prevent fraud and ensure platform security
- Send you relevant updates and notifications (if opted-in)
- Develop case studies and marketing materials (subject to opt-out)
- Generate aggregated industry insights and trend analysis

10. Data Sharing

We may share your personal data with:

Campaign Participants

- Brands and Influencers connected through our platform for collaboration purposes
- Contact information and relevant profile data necessary for campaign execution

Service Providers

- Hosting providers (Google Cloud Platform, OVH)
- Payment processors (Stripe)
- Analytics providers (Google Analytics - with your consent)
- Customer support tools and communication platforms
- Security and fraud prevention services (reCAPTCHA Enterprise - Google LLC in US)

Enhanced Security Processing

- MaxMind GeoLite2 databases are processed entirely within our EU infrastructure - no data is shared with MaxMind
- reCAPTCHA Enterprise involves data sharing with Google LLC for bot protection and risk assessment

Legal Authorities

- When required by law, regulation, or legal process
- To protect our rights, safety, or property
- To investigate suspected fraud or security issues

Business Transactions

- Third parties in case of merger, acquisition, or sale of assets
- Due diligence parties under confidentiality agreements

12. International Data Transfers

While Check It Out primarily operates within the EU, certain aspects of our Services require transferring your personal data outside the European Economic Area (EEA), particularly to the United States. We take these transfers seriously and implement robust safeguards.

12.1 Multi-Layered Transfer Protection Framework

We employ a comprehensive, multi-layered approach to protect your data in cross-border transfers:

Primary Transfer Mechanism

- EU-US Data Privacy Framework for transfers to certified US companies (Google, Firebase)

Backup Transfer Mechanisms

- European Commission's Standard Contractual Clauses (2021 version) with all non-EU service providers
- Technical supplementary measures as described below

Limited Emergency Fallback:

- In specific situations where other mechanisms become unavailable, we may rely on your explicit consent under GDPR Article 49(1)(a) for essential transfers
- Such consent-based transfers would be limited, occasional, and non-repetitive as required by EU guidelines

12.2 Enhanced Technical Safeguards

To further protect data during international transfers, we implement:

- End-to-end encryption for sensitive communications
- Pseudonymization of personal identifiers where technically feasible
- Data minimization prior to transfer (only essential data elements are transferred)
- Strict access controls limiting who can access EU user data
- Regular security audits of our transfer mechanisms

12.3 Specific Data Processing Services

We use the following non-EU based services that may process personal data:

Service	Data Categories	Transfer Safeguards	Processing Location
Google Cloud Platform	Hosting infrastructure, database	EU-US DPF + SCCs + Encryption	EU and US
Firebase	Authentication, analytics	EU-US DPF + SCCs + Minimization	US
Google Analytics	Usage analytics	EU-US DPF + SCCs + IP Anonymization	US
reCAPTCHA Enterprise	Authentication data, risk scores	EU-US DPF + SCCs + Encryption	US

12.4 Transfer Impact Assessments

We regularly assess the effectiveness of our transfer mechanisms and the legal landscape of destination countries. Our assessments consider:

- The nature of personal data transferred
- The purpose and duration of processing
- Laws governing data access in destination countries
- Technical and organizational measures implemented

You may request information about our Transfer Impact Assessment by contacting us at checkitout.inbox@gmail.com with subject "Data Transfer Assessment Request".

12.5 Legal Uncertainty and Contingency Planning

We acknowledge ongoing legal uncertainties regarding EU-US data transfers. If current transfer mechanisms are invalidated:

- We will promptly notify you of significant changes
- Implement alternative compliance measures

- Limit transfers to what's strictly necessary
- Consider relocating certain processing activities to the EU

We continuously monitor relevant legal developments and will update our practices as required.

13. Automated Decision Making and Profiling

13.1 Automated Security Decisions

Under GDPR Article 22, you have the right to know about automated decision-making that affects you. We use automated systems for the following security purposes:

Session Security Management

- **Purpose:** Prevention of session hijacking and unauthorized account access
- **Logic:** Correlation of IP addresses with active sessions and detection of impossible travel patterns
- **Consequences:** Automatic session termination if suspicious geographic changes are detected (e.g., login from Poland followed by activity from Tokyo within minutes)
- **Human Review:** Available upon request for wrongful terminations

Bot Protection and Risk Assessment

- **Purpose:** Prevention of automated attacks, spam, and fraudulent registrations
- **Logic:** Real-time risk scoring during login, registration, and password changes using reCAPTCHA Enterprise
- **Consequences:** High-risk attempts may be blocked or require additional verification (2FA via email)
- **Human Review:** Available for legitimate users experiencing access issues

13.2 Your Rights Regarding Automated Decisions

You have the right to:

- Request human review of any automated decision affecting your account
- Receive information about the logic behind automated decisions
- Contest automated decisions and request manual reconsideration
- Object to automated processing (though we may refuse if security interests are compelling)

Exercise Rights: Contact checkitout.inbox@gmail.com with subject "Automated Decision Review - [Issue]"

VPN/Proxy Users: Automated security systems may affect VPN and proxy users due to rapid IP changes. Contact support for assistance with legitimate VPN usage.

14. Enhanced GDPR Compliance Framework

Data Protection by Design and Default Privacy and data protection are integral to our platform development. We implement technical and organizational measures including:

- **Data minimization:** We collect only data necessary for specified purposes
- **Purpose limitation:** Data used only for declared purposes
- **Storage limitation:** Automatic deletion based on retention schedules
- **Encryption:** All personal data encrypted in transit and at rest

Records of Processing Activities (ROPA) We maintain comprehensive documentation of all data processing activities including:

- Categories of personal data processed
- Purposes of processing and legal basis
- Data subject categories and data recipients
- International transfers and safeguards
- Retention periods and deletion procedures

Data Protection Impact Assessments (DPIAs) We conduct DPIAs for all high-risk processing activities including:

- Large-scale processing of special category data
- Systematic monitoring of user behavior
- New technologies that may pose privacy risks

15. Your Rights Under GDPR

You have the right to:

Access (Article 15)

Request copy of your personal data **Rectification (Article 16)**: Correct inaccurate or incomplete data **Erasure (Article 17)**: Request deletion of your data **Restriction (Article 18)**: Limit processing in specific circumstances **Portability (Article 20)**: Receive data in machine-readable format **Objection (Article 21)**: Object to processing based on legitimate interest **Withdraw Consent (Article 7)**: Revoke consent where processing is based on consent

Special Right - Object to Legitimate Interest Processing

You may object to processing based on legitimate interest, including security processing. However, we may continue processing if we can demonstrate compelling legitimate grounds that override your interests, particularly for essential security features like:

- Session hijacking prevention
- Bot protection during authentication
- Fraud prevention measures

Exercise Procedures

To exercise your GDPR rights, email **checkitout.inbox@gmail.com** with subject "Data Protection Request - [Right Type]":

- **Response Time**: 15 days for standard requests, 30 days for complex requests
- **Identity Verification**: We may request verification to protect your data
- **Fee**: Generally free, may charge for excessive or repetitive requests
- **Appeals**: You may lodge a complaint with supervisory authorities

Exercising Objection to Security Processing

Email **checkitout.inbox@gmail.com** with subject "Data Protection Request - Object to Processing"

- We will evaluate your objection within 15 days

- Security-essential processing may continue with documented justification
- Alternative security measures will be considered where technically feasible

16. Influencers

If you are an influencer, we may collect data directly from your public social profiles and API connections, as well as from details you submit via registration or campaign applications. Your information is used to:

- Match you with relevant brand campaigns
- Provide performance metrics and insights to brands
- Showcase successful collaborations (subject to marketing opt-out rights)
- Facilitate payments and financial reporting

You may request modification or deletion of your data at any time following the procedures outlined in Section 15.

17. Security Measures

We implement industry-standard measures to protect your data, including:

- **Encryption:** AES-256 encryption for data at rest, TLS 1.3 for data in transit
- **Access Controls:** Multi-factor authentication and role-based access
- **Monitoring:** 24/7 security monitoring and intrusion detection
- **Auditing:** Regular security audits and penetration testing
- **Training:** Staff training on data protection and security procedures

Breach Notification

In case of a data breach affecting your rights and freedoms, we will:

- Notify supervisory authorities within 72 hours
- Notify affected users without undue delay
- Provide clear information about the breach and mitigation steps

If you suspect misuse of your account or data, contact us immediately at checkitout.inbox@gmail.com with subject "Security - Suspected Breach".

18. Cookies and Tracking

Please see our separate Cookie Policy for detailed information on how we use cookies and tracking technologies, including:

- Types of cookies used and their purposes
- Third-party analytics and tracking tools
- Your consent choices and management options
- International transfer considerations for analytics data

19. Third-Party Services

Our Services may link to or integrate with third-party services including:

- Social media platforms (Instagram, TikTok, YouTube)
- Payment processors (Stripe)
- Analytics providers (Google Analytics)
- Cloud service providers
- Security services (MaxMind GeoLite2, reCAPTCHA Enterprise)

These services operate independently and have their own privacy policies. We encourage you to review them. We are not responsible for the privacy practices of third-party services.

Enhanced Security Service Disclosures

reCAPTCHA Enterprise is operated by Google LLC and involves data processing in the United States. While we rely on EU-US Data Privacy Framework and Standard Contractual Clauses for protection, you should be aware that US surveillance laws may potentially allow government access to transferred data. Your data is processed solely for bot protection and platform security purposes.

MaxMind GeoLite2 databases are used exclusively within our EU infrastructure for IP geolocation. No data is transmitted to MaxMind services - we utilize downloadable database files under commercial license.

20. Marketing and Case Study Rights

By using our Platform, you grant Check It Out automatic rights to use campaign data and content for business purposes as outlined in our Terms & Conditions, including:

- Case studies featuring successful campaigns
- Client portfolio showcases with brand names and metrics
- Industry insights from aggregated platform data

You may opt out of marketing usage by emailing **checkitout.inbox@gmail.com** with subject "Marketing Opt-Out".

21. Changes to This Policy

We may update this Privacy Policy periodically to reflect changes in our practices, technology, or legal requirements. Significant changes will be communicated via:

- Platform notifications
- Email to registered users
- Updated effective date at the top of this policy

The updated version will always be posted with an updated effective date. Continued use of our Services after changes constitutes acceptance of the updated policy.

For any questions or concerns about your data, email us at
checkitout.inbox@gmail.com

This Privacy Policy is part of our comprehensive legal framework including our Terms & Conditions, Cookie Policy, and Data Retention Policy.
